
Learning from noisy demonstrations : a exploration/exploitation tradeoff

Louis Faury
Semester Project at LASA

March 18, 2017

Plan

1. Motivations
2. Background
   - Learning from Demonstration
   - Reinforcement learning
3. Approach
   - A sandbox state space
   - RL results
   - Compliance based update rule
   - Results

Plan

1 Motivations

2 Background

3 Approach
